Title: VA Loan Electronic Reporting Interface (VALERI) System.

OMB Control Number: 2900-0021.

Type of Review: Extension of a currently approved collection.

Abstract: VA provides the authority for VA-guaranteed mortgage servicers to assist veteran borrowers and their families experiencing financial difficulty. VA then provides oversight of the servicers' actions by collecting specific documentation and data. In today's environment, this collection is done via the VALERI application. Federal Regulations under 38 CFR 36.4300 require specific, critical information be provided to VA and without the collection of such documentation and data, the number of foreclosures of VA-guaranteed loans and homeless veterans would potentially increase.

An agency may not conduct or sponsor, and a person is not required to respond to a collection of information unless it displays a currently valid OMB control number. The ***Federal Register*** Notice with a 60-day comment period soliciting comments on this collection of information was published on February 24, 2020 at 85 FR 10512, pages 10512-10513.

Affected Public: Business or other for profit.
